FREE TRAINING FOR INTERNATIONAL STUDY

India with an approximate 25 crore school going children is Sending 20 lakh Students abroad for higher education every year. The most preferred Locations are US,UK, Canada, Australia ,Germany, Ireland. The average Cost of Higher education in these Countries Varies from Rs. 25 lakhs to 1 crore including accommodation.

But If a Student fulfills few criteria ie A Good CGPA (Minimum 8.5) and 7.5 IELTS Score, Strong Personal Profile, Ability of Critical thinking and ' A ' Grade in Selection Tests, They can study in any Country with FULLY FUNDED SCHOLARSHIPS which includes College Fees, Food & accommodation, Air Fare and Insurance.

As per latest data every year 20 lakh Students are going abroad for UG & PG Education and Indian Parents spent Rs. 3 Lakh Crore on Abroad education. As per Estimate it will increase to 6 lakh crore by 2030. If Indian students are trained from their early Ages to excel in their academic activities and fulfill the criteria for getting fully funded scholarships from a reputed university, Indian Parents can save Crores of Rupees.

SCS PU COLLEGE and Exams24x7.com are joining hands with Garuda Tri eka Indonesia to train Students of SCS PU College to Excel in Selection Process of Renowned University's in the World.

TRAINING INCLUDES:

- INTERNATIONAL ENGLISH LANGUAGE TESTING SYSTEM (IELTS)
- PROFILE BUILDING & ESSAY WRITING
- GUIDENCE FOR PROJECTS
- SELECTION TEST TRAINING.
